## March Of Dimes Walk-a-thon To Begin April 24

ANAHEIM — Over 5,000 persons are expected to take part in the Orange County March of Dimes Walk-a-thon beginning at 6 a.m. Saturday, April 24 at Anaheim Stadium.

Among those walking the 20.5 miles to raise money for birth defect research will be jockey Bill Harmatz, Dad Miller, 93-year-old golfer; members of the local Japan Karate Federation; Corinne Snipp, 12, Orange County March of Dimes poster girl; and Fred Owens, athletic director of Golden West College and event chairman.

Sponsors are asked to pledge sums ranging from 10 cents to \$10 per mile walked. Generous sponsors are being sought to contribute larger sums for even a few steps by gravely handicapped persons.

Checkpoints will be set up along the route where first aid and fresh water will be available. Food and beverages can be purchased along the route.

Forms for walker registration and sponsor pledges can be obtained from the Orange County chapter office, 1303 S. Main St., Santa Ana. The phone number is 547-6124.

Prizes are being offered for the longest distance walked, oldest and youngest marchers, largest group, most sponsors for a walker, first to finish and others.

## PUSD Board Sets Special Meeting

PLACENTIA — The Placentia Unified School District Board of Education will hold a special meeting tonight (Wednesday, April 21) at 7 p.m. in the district board room at 1301 E. Orangethorpe Ave. to review two major items — the district building program for 1971-72 and the annual budget for 1971-72.

The special meeting was called to give more time to these items than could be devoted at the district's next regular meeting, the following Monday night.

## El Dorado High Production Of 'Brigadoon' To Begin

PLACENTIA — This week marks the premiere of the musical "Brigadoon." El Dorado's spring production.

The first performance will be Thursday, April 22, in the ED lecture hall at 8 p.m. "Brigadoon" will be presented again Friday, Saturday, and the following week, Thursday, Friday, and Saturday.

Fred Owens, Orange County chairman for the March of Dimes Walk-a-thon, Randy Pinney, A Viet-Nam purple heart veteran who will be among the marchers, and Miss Orange County Bonny Drury go over plans for the first local Walk-a-thon to be held Saturday morning.

## Placentia Planners Make Changes; Approve Hospital

PLACENTIA — Several actions of major significance were taken at last Tuesday evening's Planning Commission meeting.

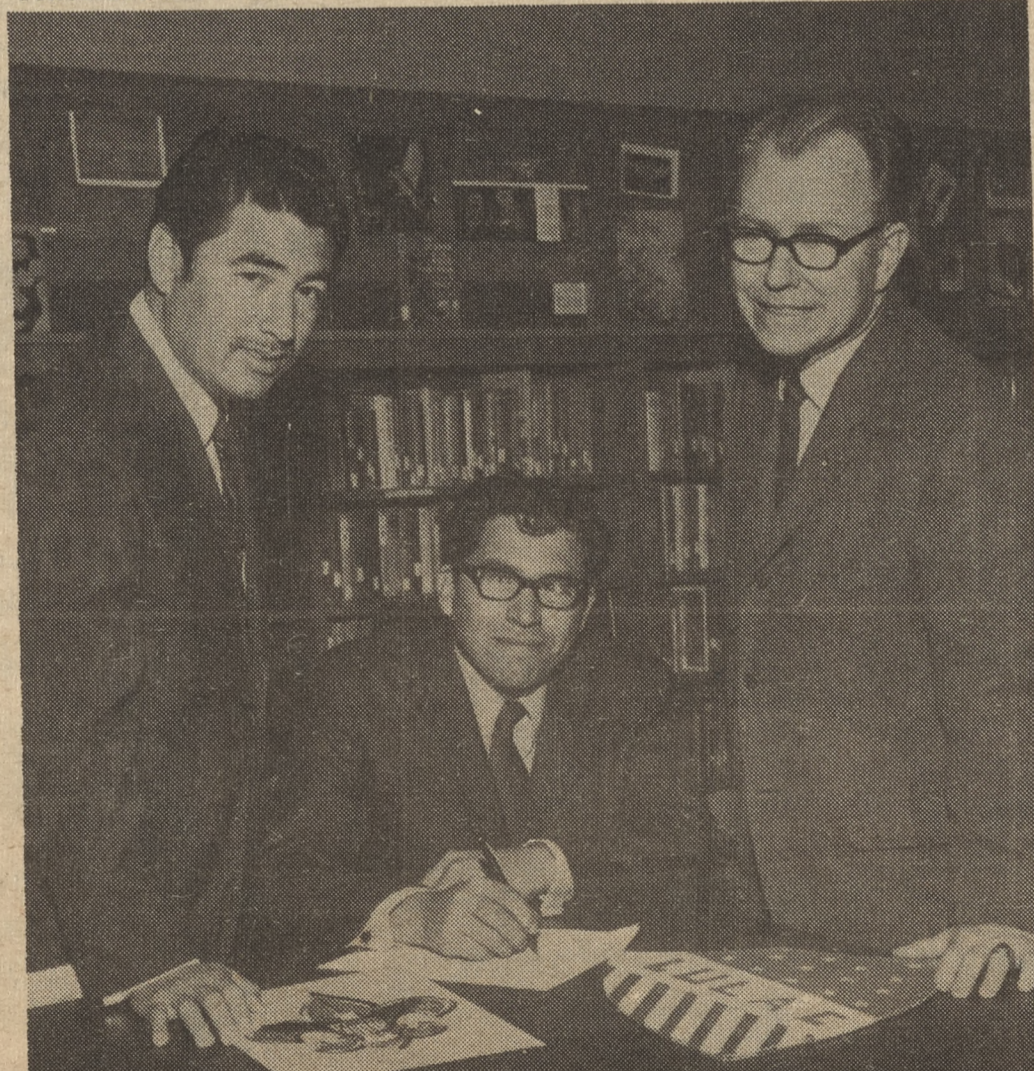

First was a zone change from R-1 to R-G PUD on 20 acres at the southwest corner of Valencia Avenue and Yorba Linda Boulevard requested by the Lypps family. The zoning will allow a condominium development at about 10 units per acre on the property for which several zone changes for apartments and commercial have been attempted for the past several years.

Second, commissioners gave site development approval to a plan for a one-story hospital between Rose Drive and Linda Vista south of Yorba Linda Boulevard. The first 98-bed unit will include ancillary facilities capable of supporting a 240-bed unit and will include ample surgery space.

Third, a use permit was granted to Edward T. Backs to allow the development of high density residential on property on the

southeast corner of Kraemer Boulevard and Chapman Avenue just south of the new civic center site.

In other action the commission approved a use permit to add two spaces and expand some existing spaces in the mobile home park at Orangethorpe and Placentia, approved expansion of a condominium tract being developed by Richard Smith on Bradford Avenue, and approved a tentative tract map for 35 lots on 9.04 acres at Morse and Van Buren. Two zone changes were continued until June 22.

Joe Mesa, project director of the Mexican-American program for the North Orange Council of the Boy Scouts, Frank Burciaga, local, state and national LULAC officer, and Jim Trawick, chairman of the Esperanza District of Boy Scouts go over plans for the merger of the Placentia Junior LULACS and the scouting Explorer division.

## Yorba Linda Drops Try To Obtain Sewer Line

YORBA LINDA — The City Council voted to drop attempts to purchase the lower Locke Ranch sewer line from Placentia until after annexation proceedings in the area have been completed.

The city had started studies on purchasing the line to block construction of an apartment complex in county land east of Fairmont Boulevard and north of Esperanza Road.

Placentia, which owns the line, agreed to allow the developer to use the line. The developer has since paid \$14,000 drainage fees to Placentia.

Councilmen agreed to begin holding hearings on the new general plan Tuesday, May 11 and to continue them until the plan is adopted on subsequent Tuesdays. The plan was recently recommended for approval by the Planning Commission.

Councilmen voted to request the county reconsider the design on a new flood control channel along Kellogg Drive in county territory to make it more esthetically pleasing and to eliminate several small residual parcels.

On recommendation from the

Traffic Committee they established a no parking zone on the north side of Imperial Highway west of Main Street and established a loading zone on the east side of Eureka north of Yorba Linda Boulevard.

Councilmen also approved the weed abatement ordinance naming all the parcels ordered to be cleaned. Several protests were registered at the meeting. These parcels will be inspected by the city and will be cleaned only if not already cleaned by the property owner.

## Daylight Time To Begin On Sunday Morning

Daylight saving time begins this coming weekend when all clocks are turned forward one hour Sunday morning. Although the time change officially occurs in the early morning hours local officials recommend that clocks be turned forward when going to bed rather than at 1 a.m.

## Local Junior LULACS Will Join Forces With Explorers

PLACENTIA — A pilot project in which the Placentia Junior LULACS will become a division of the Exploring Division of the Boy Scouts of America was inaugurated last week.

Under the agreement the Junior LULACS will retain their present name and autonomy but will pay the regular Exploring membership fee of \$1 per year and will have access to all of the

programs and materials offered by the Explorers.

LULAC executive Frank Burciaga commented that the project will be a pilot for California and the United States. He said, "This is one of the greatest opportunities that has ever been offered to us. It will at the same time allow us to retain and benefit from our own culture and identity. This program will eventually be adopted by all Junior and Senior LULAC councils in California."

Burciaga said that he envisions the program as a joint venture of the youth of the Mexican-American community with the facilities, opportunities and professional programs of the Boy Scouts of America.

Jim Trawick, chairman of the Esperanza District of Scouting, covering the Placentia area, commented, "We feel that both have so much to offer each other that we in Boy Scouting have given this matter top priority."

The plan has been quietly worked out over the past months by members of both groups who each before this time had been futilely seeking what the other had to offer. "We feel that this is what we have both been looking for," members of both organizations agreed.

The Exploring division of scouting was founded about 20 years ago but was small in scope until two years ago when several innovations in the program were made. "Since then acceptance of the Exploring program has mushroomed," stated Trawick.

## Servicemen Reply To Christmas Messages

In December the Acoma Tribe of the YMCA Indian Maidens mailed hand made Christmas cards to servicemen in Vietnam. Several thank you letters have been received from the servicemen. One letter was so inspiring the girls wanted to share it with other members of the community:

meeting is sponsored by CIRCLE, the ad hoc committee formed in Placentia to study ecological problems. Lew Motter, chairman of CIRCLE, announced that this is the first of several meetings to be held over the next three months to bring the local problems of ecology before the people.

The meeting is open to the public with all interested citizens urged to attend, Motter said.

The program for the evening will center around the issue of air pollution. Dr. Harvey Blend, Professor of Physics at Cal State Fullerton, will be the main speaker. His topic is

"I'm sorry I've neglected to write you and thank you for the thoughtfulness and generosity of your wonderful Indian Maidens."

"I tell you it makes a guy feel good when he receives something as precious as the greetings I got from them. I know the guys who shared the cheer that came with the cards feel the same way. A lot of my Platoon enjoyed the cards, and I'd like to thank you again."

"Often the newspapers forget the real beauty of America. As long as people continue to do the constructive work with the young people as you do that beauty will remain for ever."

"Once in awhile a guy wonders why he raised his hand for Uncle Sam. People such as yourself and others give us the answer to 'Why?'"

Thank you very much.

## Yorba-Kraemer PTA Meeting Scheduled

A meeting of the combined membership of Bernardo Yorba Intermediate School PTA and Kraemer Intermediate School PTA will be held on April 27 at 7:30 p.m. in the Kraemer cafeteria.

Speaking on a timely subject, "Ecology and the Environment in Which We Live" will be Nat Lamb. Lamb is the director of science and mathematics of Orange County schools. Formerly with NASA, he has traveled around the world speaking on the space

program of the United States. In the short time that Lamb has been in Orange County, he has become one of the leaders in the field of ecology. He also is becoming known throughout the state in this field. Students are invited to attend this meeting, since ecology is a subject which is of interest to all ages.

Business to be conducted at this meeting will be the election of officers for the 1971-72 school year. All members of both PTA's are urged to attend.

### The Migraine Sufferer Need Not Be So Lonesome

"The migraine headache is as devastating and serious a problem as I have come to know in my practice. It may be one of the

Dr. Donald Brinkley

serious defects of our modern day approach to life. It may be due to the increase of so many who self-treat occasional headaches with pain killers.

never seeking to discover the source of their problem.

"No, I don't say every 'pesky little headache' will become a migraine. But you'll never be able to show me a migraine sufferer who didn't first experience an occasional 'pesky little headache.' Headaches, especially migraine, need prompt, effective treatment."

The speaker was Dr. Donald Brinkley of the Brinkley Chiropractic Centers. Now comes an article in a magazine that almost seems to echo Dr. Brinkley's warning of the migraine problem. Following is an excerpt from that article:

"It begins with my eyes — flashes of light, double — or half vision, blobs of color. Then, about 20 minutes later, the pain starts. Incredibly sharp and deep over one eye usually and back along my skull. I can't stand light or noise; sometimes I have attacks of nausea and vomiting, sometimes a strange tingling in my fingers and toes or even my tongue. But the worst of it is when I try to speak. I know what I want to say, but the words won't come out properly. It's very frightening. The attacks usually last for three or four hours and afterward I can't do anything for the rest of the day. I've been getting them about twice a month lately."

"The speaker was an attractive 30-year-old woman who had lost her job because of crippling attacks of migraine. She is just one of the millions of people in the world — roughly three out of every 50 — who suffer from this misunderstood disease. For migraine is definitely

a disease and not just the bad 'headache' that non-victims and even many doctors seem to think it is. Migraine can cause the symptoms of heart disease, gall bladder inflammation, and appendicitis to appear. It is a disease that causes untold damage to the people who suffer from it — and to the employers who lose thousands of working hours because of it.

"Migraine produces such pain, in fact, that in a recent case a brilliant 32-year-old science teacher killed himself because he couldn't take the severe migraine attacks that were becoming more and more frequent. Experts agree that many cases of unexplained suicide could be caused by the agony of migraine."

There are many side effects of migraine that most people are unaware of. Children, for instance, often suffer from severe migraine attacks that cause abdominal pains not unlike a ruptured appendix. Many children have been operated upon needlessly for this reason, and thousands of school days are wasted each year because of migraine."

Often victims have to put up with months of ineffectual treatment by local doctors or general hospitals. Many sufferers would rather stay at home in agony than be told by a harassed intern to 'go home and take two aspirin,' a treatment that works for a few minutes if it works at all. A lot of migraine victims are afraid to seek medical aid . . . because they have been embarrassed in the past by doctors who accuse them of malingering."

Dr. Brinkley has said he has the greatest sympathy for the migraine sufferers. "They have had to endure — largely on their own — the private punishment of migraine."

Yet migraine can be treated. "It must be," says Dr. Brinkley.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

New officers of the Yorba Linda Friends of the Library for the coming year are, back, Mrs. Vincent Pachiano, treasurer; Mrs. Emerson Abell, secretary; front, Mrs. Richard Carlson, president; and Mrs. Robert Noble, vice president.

## First UCI Course To Concern Films

At a recent meeting of the Friends of the Yorba Linda District Library, Mrs. Richard Carlson, president of the group, announced the first course to be presented by UCI in the library's new community room will be "Fiction into Films." The exact starting date will be announced later this year before the fall class begins.

An adult education course, "Contemporary Learning," will be taught by Mrs. P. Klipstein. It teaches basic information about many things ranging from the arts to current events. The class is a 12 week course, and will be presented as a daytime offering here this fall.

Still in the planning stages, is an adult education

class, a lecture series, on the different facets of ecology. It is expected that the friends will be able to finalize arrangements for bringing this course to Yorba Linda before the month is out.

Mrs. Ralph Shook, a member of the library board, advised the group of the progress of the library's move into the new addition. Many of the books are packed in boxes, but due to a delay in delivery of some materials, the move will be postponed for another week.

Friends of the Library's next general meeting will be held on Tuesday, May 18 in the new community room. Coffee will be served at 7:30 p.m. with the meeting scheduled to begin at 7:45.

Practicing map reading in preparation for the upcoming Boy Scout camporee this weekend are Mike Hamman and Kraig Buttrum of Placentia Troop 770. Watching are Webelos Cub Scouts Kent Coules and Mike Grismer of Placentia Troop 715.

## Council Camp Will Attract 350 Scouts

Three hundred fifty Boy Scouts from Placentia and Yorba Linda will converge on the North Orange County Council camp, Camp Ahwahnee, April 23, 24 and 25 for their district's fourth annual spring camporee.

A camporee is a special event in which patrols compete against each other in exemplifying such scouting skills as trail following, fire building, cooking, signalling and others. Scoring is done on a point system and the patrol with the largest number of points wins. Scoutmasters and other adult Scouters camp on the periphery of the camp. The direction and the discipline of the troop is in the hands of the senior patrol leaders and their assistants. Ten troops will participate in this camporee with each troop divided into several patrols.

Some troops will hike in to the campsite on Friday evening and the rules require them to have set up camp by 10 p.m. Most will arrive between 7 and 10 a.m. Saturday morning and control

camporee to be eligible for awards.

For the first time Webelos Cub Scouts are invited to attend the Saturday night campfire. They will be able to witness the colorful "Tapping Out" ceremony of the Order of the Arrow, which is an honorary service organization composed of Boy Scouts who are regarded as the best campers in their troops and who are selected by secret ballot.

## Police Review Board Interviews 80 Applicants

Serving on the oral board helping in filling five vacant police officer positions in Placentia were Ted N. Krauss, personnel and training officer for the Culver City Police Department; Don Latimore, head of staff development for the Orange County Probation Department; and Steve Bond, El Dorado High School student body

## Shipkey Appointed As Chamber Vice-President

Tom Shipkey, insurance broker with Tausch Co., was appointed vice president of the Board of Directors of the Placentia Chamber of Commerce at the regular meeting Thursday, April 15. Shipkey assumes the post of resigned Norman DeVilbiss.

Os Rotherham, parliamentarian, presented a proposed change in the by-laws which permits the president to be elected for a third term. The change was approved. Previously the article read that a president could serve only two years.

T.A. Shinn, chairman, presented the plans for a Students in Government day to be held May 18, with students from the high schools taking over the city government. Complete details are being worked out, stated Shinn. The student government day will begin at 8:30 a.m. and continue through the City Council meeting on that night.

William Beggerly reported that to date 50 persons had signed up for the spring Golf tournament to be held at Alta Vista on May 10. Beggerly and his cochairman, Jim Sumrow, stated that tickets to the dinner following the

tournament are available at the chamber office.

1257 E. YORBA LINDA BLVD. - PLACENTIA

Hundreds of Yorba Linda Little League players watch as the first ball is thrown out to begin this year's season. The league all-star team won the district championship last year.

## ED Takes First In Baseball Race

Winning four in a row, Coach Tom Byrnes' Varsity baseball team has combined good pitching and hitting to take over first place in the tight Orange League race.

With a team effort in hitting, and consistent pitching from Bob DeWeese and Phil Hendershot, the Hawks disposed of Sonora and Brea this week.

DeWeese got the honors against Sonora, pitching

nine innings (extra innings) and scattering seven hits. The Raiders were unable to score off DeWeese, who now has an ERA of .08 and a 5-2 overall record.

The Hawks' big inning was the top of the ninth when third baseman Mike Healy doubled with two out. Healy advanced to third on a stolen base. Raider Brad Hillman then threw a passed ball and Healy

scored the winning run.

On Friday, the big inning for the batmen was the fourth, in a 5-2 victory over Brea.

Brea's Steve Arena got himself into trouble in the fourth inning loading the bases with a single and a couple of walks. Arena then walked in the Varsity's first run and an error cost the Wildcats another run.

## VHS Loses To Sonora By 2 To 1

The Orange League baseball race remained jam packed as the first five teams were within one game of new first place leader El Dorado High School.

Valencia moved to the top of the race for two days but a loss to Sonora 2-1 put them back into the middle of the league. The Tigers moved into first place by beating Saddleback 2-1.

Against Saddleback, Dave Chipman, 5-0 overall and 2-0 in Orange League play, went the distance, allowing three hits, striking out four batters and walking a pair.

The Tigers were able to become the first team to get an earned run off Sonora's Jim Peterson but that wasn't enough to win. Peterson had not allowed an earned run in 23 innings of Orange League pitching.

Allan Perry of Valencia pitched the whole game, allowing only five hits in a superb losing effort.

## Tiger Trackmen To Meet El Dorado

Every year Coach Mike Cummins puts together a solid group of top personnel for his Valencia High School Track and Field team.

This year proves no different as Coach Cummins track team is sitting on top of the Orange League standings in first place with only two meets left this season.

The Tigers will really

have to prove themselves as strong as they trek to meet cross-town rival El Dorado High this afternoon beginning at 3:15.

Last week the powerful Tigers traveled to La Habra and edged second place Sonora High 66-61 in a real thriller.

"We got a real good performance from Ken Stone," commented Coach Mike Cummins on his hurdler who took firsts in

the 120 high hurdles and 180 low hurdles.

Mike Boaz of Valencia finished first in the 2 mile run with his second best time of the year, 10:03.

Rick Mc Collugh won the 440 with a 51.3, then turned around and ran a 49.1 as anchor man in the mile relay. He made up 20 lost yards but was edged out at the tape.

In the field events Pat O'Shaunessy threw the discus 153'7" to beat out third place finisher Alex Covarrubias.

John Ybarra heaved the shot put 49'3" to win that event.

The Tigers travel to Mt. San Antonio in Walnut to perform in the Mt. Sac Relays.

## VHS Tennis Team Splits 2 Matches

Valencia High School's tennis team split a pair of matches last week beating Saddleback and losing to Sonora 24-4.

Dean Okimoto of Valencia kept his undefeated streak intact by winning all of his sets in both matches.

Friday the Tigers host Brea Olinda and stay home next Tuesday to meet first place Laguna Beach.

## VHS Golfers Tie Record, Beat Savanna

The Valencia High School golf team broke the school score record and tied the CIF record when it shot a 367 against Savanna last week to win by 43 strokes. Team members Greg Bilton, Daryl Eve, Larry Taylor, and Bob Kalmbach each had a 73 while Drew Mehner had a 75. They are the only undefeated team in the combined Orange-Freeway League. Members of the team are either juniors or sophomores so they will all be back next year.

Remaining on the schedule are matches against Laguna April 26, Kennedy April 28, El Dorado May 3, and Brea May 10.

The old school record was 388 established in 1966. The CIF record is held by Montebello High and was also established in 1966.

## Hornets Lose Two Games In South Coast Action

Last week Fullerton Junior College baseball team was rolling along in first place in the South Coast Conference and it looked like the only thing the Hornets had to do was win two of the three games they played last week to win the baseball title which has eluded them since 1949.

But the Hornets instead of winning, lost two of the three contests last week and the front running team now has two clubs breathing down their necks, only two

games behind in the battle for the championship.

In Fullerton's first loss last week they were beating San Diego City 6-0 after six innings but San Diego erupted for seven runs in the seventh inning to win 10-7.

On Saturday against Mt. Sac the seventh inning once again proved fatal to the Hornets as the Mounties exploded for five runs to blow open a close game 12-3.

The Hornets won one game last week beating Santa Ana 13-0.

## Cal State Loses 3 To Remain In Cellar

Sitting in the CCAA cellar with only one way to go the Cal State Fullerton baseball team meets Cal Poly Pomona here at Fullerton this Friday at 2:30.

Last week CSF dipped further to the bottom of the CCAA by dropping a twinbill to San Fernando Valley State and losing a single game to Cal Poly San Luis Obispo.

The Titans outthit Valley State 12-10 in the first game but were at the wrong end of the score 5-2. In the night cap CSF banged out only four total hits getting shut out 3-0. Kent Rozzelle had three hits in the contest for Fullerton.

Jim Mc Garry collected two hits, bringing his total number of hits to 64 which erases Don Bacon's mark of 62 set back in 1968.

For the second game in a row the Titans managed to get only four hits and again that wasn't enough as the

Titans went down to Cal Poly San Luis Obispo 6-2.

This coming Saturday CSF plays a doubleheader beginning at 12 noon against U.S. Irvine there. On Tuesday the squad bangs heads with U.C. Riverside at 2:30 on the Titan diamond.

## Cal State To Run In Relay Meet

Friday and Saturday the Cal State Fullerton Track and Field team will perform in the Mt. San Antonio Relays at Mt. San Antonio Stadium in Walnut.

Cal State's squad picked up only six first places in a triangular meet against Long Beach State and Cal Poly Pomona but it wasn't enough as Long Beach took 10 firsts to win the meet.

Steve La Fond won the shot put, Curt Thompson took the 880, Brad Powell threw the javelin 197' 9", George McNevin leaped 6'2" to win the high jump and John Gasso ran a 9:13.0, two mile to top that race.

## Pony-Colt League Sets Opening For April 24

Opening day ceremonies for the Placentia-Yorba Linda Pony-Colt League will take place Saturday, April 24 at 9 a.m. at the El Dorado High School field. Lee Wilcox, president of the league, will be handling the masters of ceremonies spot. Special guests will include dignitaries of both the Placentia and Yorba Linda City councils: Angels team members; and the sponsors of the teams for 1971, Placentia Car Wash, Placentia and Chapman Ave.; Heinz' Hamburgers, Chapman and Placentia Ave.; and D & D Sporting Goods, Rose-Linda Shopping Center.

Following the in-

roductions, two games will be played. The Cubs and Cards will mix it up on one field, while the Brewers and Yankees will have at it on the second field. Then at 12 noon, the Giants and Dodgers will take the field and the Angels and Indians will be on the second field.

Future events for the Placentia-Yorba Linda Pony-Colt League will include a dance on May 15. Mrs. Nate Fine, chairman for the event, has announced the place will be St. Joseph's church, with tickets going for \$5 per couple. Posters are being made to announce the dance and will be on view soon giving more details.

Placentia Little Leaguers celebrate following opening ceremonies held at the Backs Community Building. Rain forced cancellation of the planned parade.

## Troy Tennis Squad Drops First Match To Lancers

For the first time this season the Troy Warriors came up on the short end of the tennis score, 18½ to 9½, on Friday against the Sunny Hills Lancers.

What was billed as the biggest match of the year in North Orange County turned into somewhat of a rout as the Warriors could do little against the talent-laden Lancers. Troy's number one, Glen Nakazawa, swept all four of his singles sets but the remaining singles players, Gary Peaselee, Earl Lund, and Bruce Campbell could only

manage 3½ points between them.

In the doubles play Troy didn't do any better against the spear-head of the Lancers' attack. Charlie Hobson and John Simmons picked up 1½ points while Steve Kettenberg and Gary Weinmann managed only ¼ of a point.

The loss puts the Warriors at 5-1 in League competition, one game behind the Lancers. The Warriors and Sunny Hills now have identical overall records of 10-1. This week, Troy faces Lowell on Friday.

## El Dorado Tops Brea Tennis Team In Match

El Dorado smashed Brea-Olinda's tennis team 17½-10½ last Friday.

The Hawks power came from Bob Backes who swept the singles, and Dave Sherbeck and Rick Nedrow who won the doubles. Backes won four sets, 6-1, 6-2, 6-1, and 6-0, while the doubles team won 6-1, 6-1, 6-0, and 6-0.

Greg Kowalski and Rick Wallstrom won three sets in doubles, losing one close set 7-5. Third man singles, Doug Hart won two sets, 6-0, and 6-1.

Yesterday the Hawks met Valencia in what was expected to be another close dual. Friday, the Hawks finished the second round of league by meeting Laguna Beach in a crucial meet.

League leader Sonora disposed of the netmen, 22-6 a week ago. The Raiders only league loss has been to Laguna, who the Hawks

beat. Coach Bill Clark is hoping the Artists can beat Sonora again and his team upset Laguna on Friday. The league championship could come down to the final match of the season next month or end up in a three way tie for first.

## FJC Track Loses To Santa Ana

Fullerton Junior College Track and Field team suffered a 93-52 loss to Santa Ana College last Friday afternoon at Santa Ana. Coach Tom Gilmer's club only placed in three events, the javelin, discus and mile relay.

This coming Friday and Saturday the team participates in the Mt. San Antonio Relays in Walnut.

## Paul Matthews Honored By LA Kings At Forum

Eight-year-old Paul Matthews of Placentia, son of Mr. and Mrs. Don Matthews, was honored at a recent Los Angeles Kings hockey game for setting a

new minor league scoring record in the Greater Los Angeles Minor Hockey Association this year.

Paul scored 159 goals, had 52 assists and 44 hat tricks (three goals in one game) during the season of 27 regular games and four playoff games to break all scoring records for all age levels set since the league was formed in 1958.

The award, the only one ever given by the Kings to a minor league hockey player, was given to Paul before a crowd of 12,000 at the Forum in Inglewood.

The league is an association of 112 teams and 1,800 boys from ages 6 to 16 from all over the Los Angeles area. The first Orange County team will be formed next season and will play at the Polar Palace in La Habra.

## Troy Warriors Win Over Sunny Hills

Troy's Warriors remained one game back in the hectic Freeway race with a 6-4 victory Friday over Sunny Hills. The win put the Warrior's record at 4-2, good enough for second place behind co-leaders Fullerton and Savanna.

Troy, with 11 hits, the most of the campaign, came up with two runs in the eighth inning to send the Lancers to defeat. Dave Lanneville started the rally with his second hit of the day and was followed by Mike Thomas whose pinch hit single drove Lanneville to third. Wynsaan Moore then slashed the pay-off double to score the two runs.

## Cloverleafs Complete Projects For 4-H Fair

Over seventy-five members of the Yorba Linda Cloverleaf 4-H Club have been putting on the finishing touches on their projects which will be displayed at the 1971 Orange County 4-H Fair at the Orange County Fairgrounds, Costa Mesa, on April 24 and 25.

On Saturday morning, April 24, the Cloverleafs, along with hundreds of other 4-H-ers will begin competing and showing their projects with rabbit judging and poultry showmanship. At 9:30 there will be beef and sheep showmanship in the judging

ring and a dog show in another area. Beginning at 10 a.m. club displays will be judged in projects such as: clothing, home furnishings, foods, horticulture, forestry, wildlife, electric, woodworking, and many more. At 1 p.m. there will be showmanship in swine, dairy cattle and goats.

Action Programs which are individual or team demonstrations involving the audience will be put on both days in the Junior Building. These demonstrations show how to use or do something in an activity, home economics or agriculture project.

Many local churches will observe the week by participating in fair housing activities. Some churches will devote their April 25 sermons to the concept of brotherhood and will distribute petitions among their membership. The petitions will state that

signees support the concept of brotherhood by welcoming people of all races as their neighbors.

Governor Reagan has also declared the week of April 18-25 as Fair Housing Week throughout the state and many cities will sponsor observances.

## Burt Brooks Makes First Hole-In-One

Former Yorba Linda Mayor Burt Brooks shot his first hole-in-one last week at the thirteenth hole of the Yorba Linda Country Club while playing with his daughter Barbara Lee Brooks and Mr. and Mrs. Harold Christensen. Brooks has been golfing since 1926.

The shot was witnessed by the foursome of Mr. and Mrs. Bill Eaton and Mr. and Mrs. M. S. Eaton, who had just left the green on the 153-yard hole.

They watched the ball travel from the tee to the green, hit the pin, then hang on the edge of the cup for about two minutes before it fell in.
